

## Reach your goal with our winning team

During his outstanding career as a scholar and athlete, Jacob Tamme stood for high performance. The educators, coaches, and fans who admired his dedication to hard work, personal integrity, and follow-through can see that Jacob continues to rely on those qualities as a professional.

Bluegrass Community Bank is pledged to that same level of excellence. You'll want our team of professionals behind you for all your banking. We offer a strong lineup of services, a welcoming place to do business, and convenient, extended hours. We're everything your hometown bank should be.

*What a hometown bank should be.*
